All entries are judged on images—digital are preferred—and artist résumés. The résumé should include not only a professional exhibition record of at least ten years, but should also reflect the artist's involvement in the community as an arts advocate. The inclusion of a brief artist's statement summarizing both professional and community-related activity is also highly recommended.

Please submit a minimum of five, but no more than ten, images. The images should represent original work completed within the last five years. Each image should be marked with the following information: 1) Artist name, 2) Title of work, 3) Image orientation, 4) Corresponding number to Artist's Image Identification Form.
