

I'm going to visit the Meadows Museum with my class.

I will have fun looking at art with my classmates.

When we arrive, the bus will drop us off in front of the museum.

CLASS VISIT TO THE MEADOWS MUSEUM

When I get off the bus, I will see the sculpture called *Wave*.

It moves just like a wave in the ocean and is made of steel.

We will walk up the stairs or use the elevator in the parking garage to get to the museum's entrance.

There are lots of sculptures outside on the museum's plaza.

I can touch them nicely if I want. I will not climb on them.

CLASS VISIT TO THE MEADOWS MUSEUM

We will walk past the sculpture called *Sho* on our way to the museum's front entrance.

When we enter the museum, my teacher will go to the desk to check in for our visit.

I can get a map of the museum that shows me where the restrooms and galleries are located.

If we have a docent guide, they will meet us in the lobby and lead us in the galleries.

To get to the galleries, we can take the stairs or the elevator.

If I take the elevator, I may have to wait and it may be crowded inside, but it will only take a minute.

In the galleries, I can look at artwork and share my ideas about it. I can take pictures too, I just need to turn off the flash on my camera.

There are some special rules we need to follow when we visit the galleries:

- I cannot touch the art or the frames.
- I cannot have food, drinks, or gum in the galleries.
- If I have a backpack, I can put it in a free cubby or I can carry it at my side. The cubbies are located on the first floor next to gift shop.
- I will stay with my class. I will use my inside voice and walking feet.

When we finish visiting the museum, we will return to our bus to leave.

I can come back with my family and friends to see more art!
