

DESIGN YOUR OWN PICTURE FRAME

A picture frame both decorates and protects an artwork, like a painting or a photograph. Frames can be made from a variety of materials and come in many different shapes and sizes. Use the image below as inspiration for your own unique design.

INSTRUCTIONS

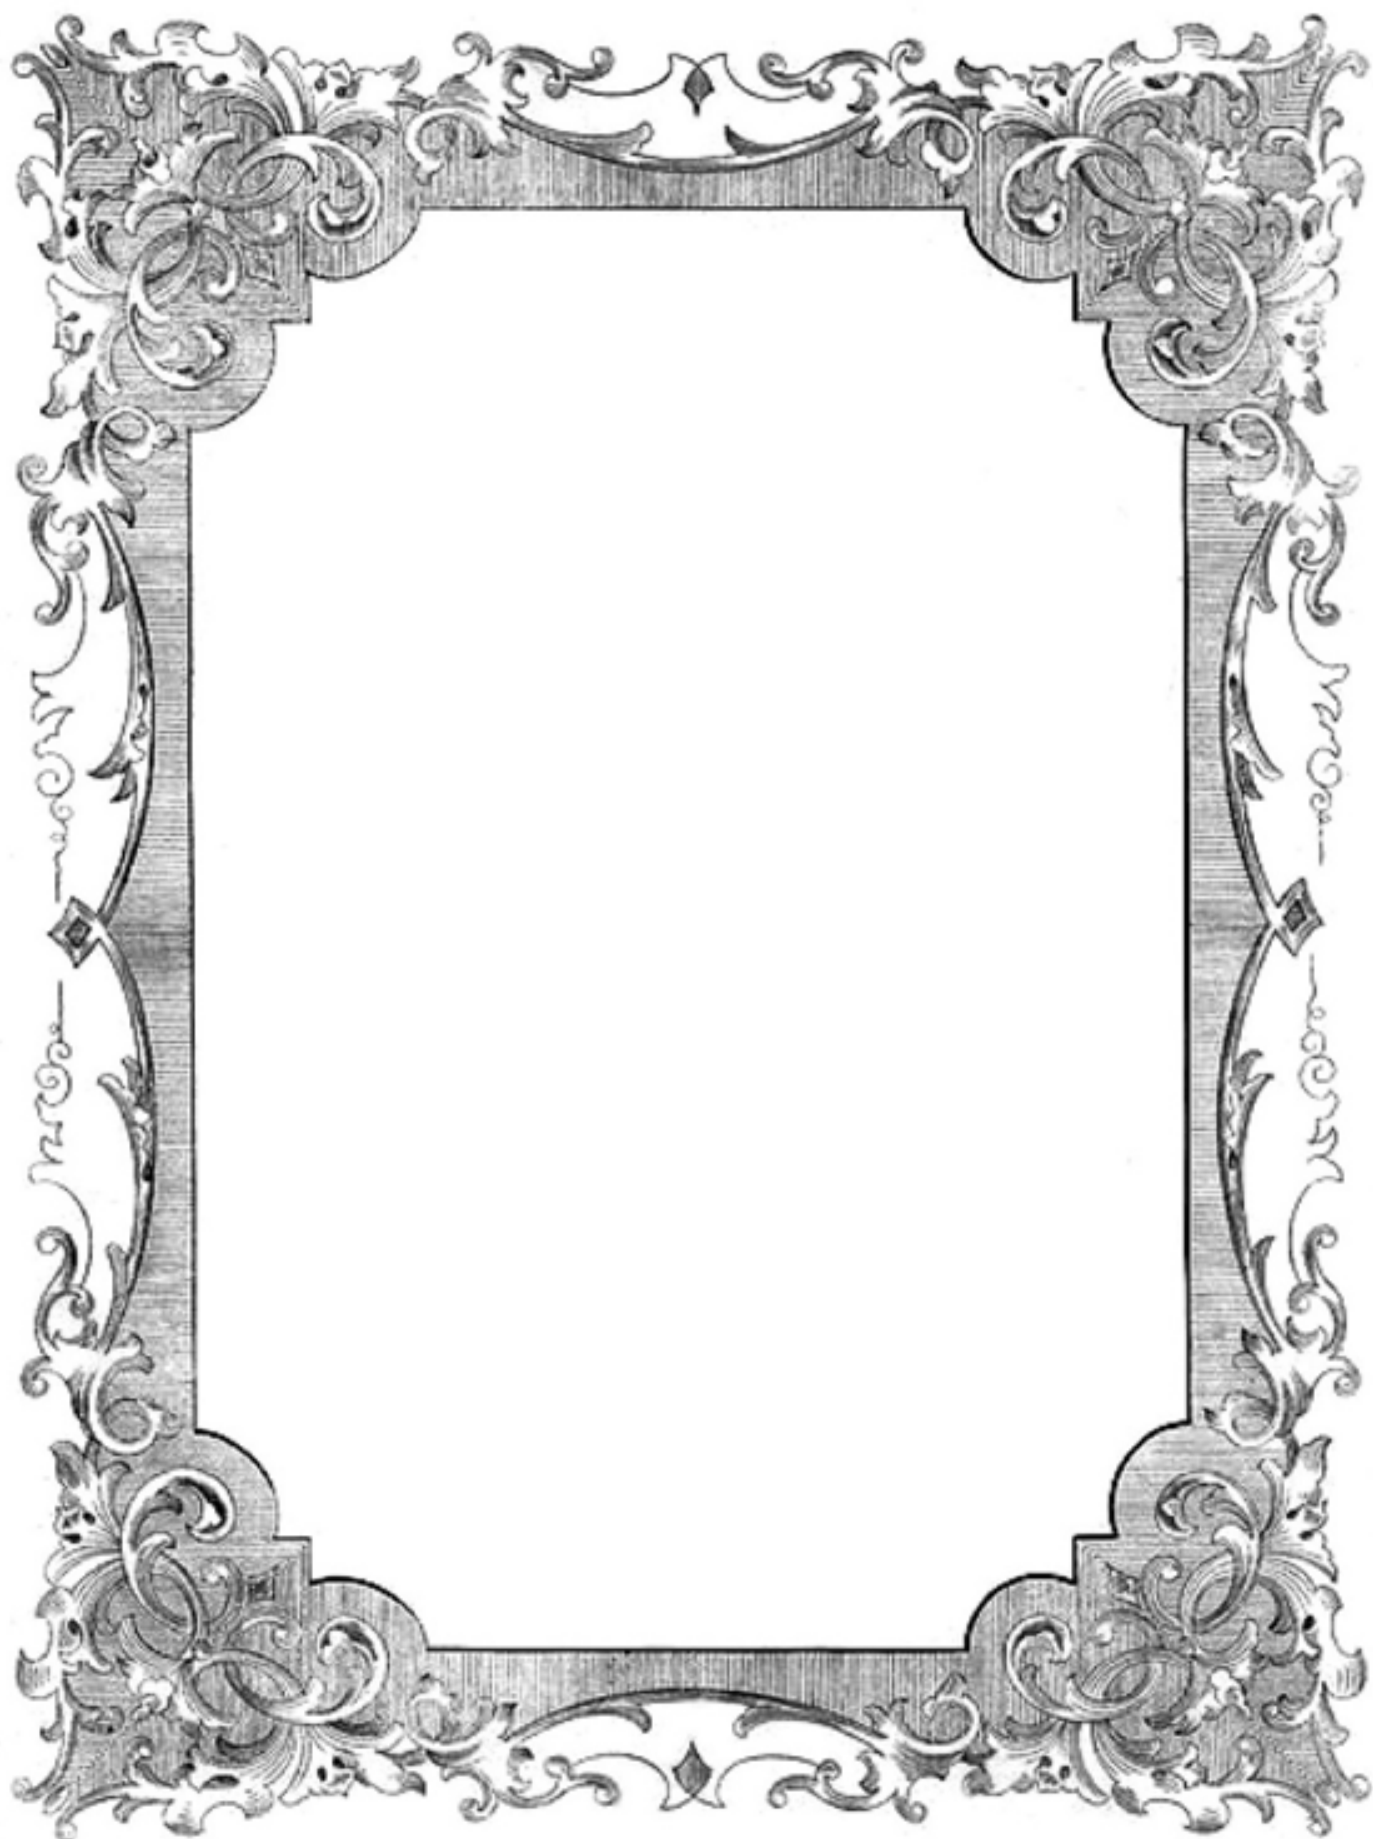

1. Print the frame sheet(s).
2. Decorate each frame with crayons, markers, pens, or whatever you like.
3. Draw inside the frames or cut them out to frame something you've already created.
4. Take it one step further and design your own frame from scratch! Try gluing pom-poms, googly eyes, or tissue paper to your creation.

SHARE your creations with us on social media (with adult permission)!
